Provision of Baler

Do you already have a bailer? Yes No

If no, do you require one? Yes No

For those who do not already own their own baler, together with U-Recycle, GreenPak offers an easy rental scheme with no capital outlay. Choose the most appropriate baler for your warehouse operations and pay it back from the rebate you earn. Full details are available on request.

Recommended use per week	Model	Bale size	Rebates from
Up to 2,000 kg	CK RR151	150 - 200 kg	200 t
Up to 5,000 kg	CK RR500V	400 - 500 kg	350 t
Over 5,000 kg	Compactor	25 m ³	475 t

Your Package

(kindly tick one of the following options)

Gold

Free Scheduled Collection + Baler + Rebates

Our **Gold Package** is ideal for those companies that seek to better organise their warehouse through the installation of a baler and still benefit from free collection service and earn money.

We will collect **free-of-charge** any baled cardboard and plastic packaging and **give rebates** on quantity collected. Suited for companies that generate 2.5 tonnes or more of packaging a month.

Silver Package

Free Scheduled Collection + Rebates

The **Silver Package** has been designed for companies that already bale their warehouse packaging. This package offers a scheduled **free collection service** to seamlessly integrate with your warehousing activities. **Full rebates given** on baled packaging collected.

Bronze Package

On-Demand Collection Service + Rebates

The **Bronze Package** is suitable for those companies that generate small quantities of warehouse packaging waste. **Rebates given** on the warehouse packaging generated and if you deliver the material yourself to our facility you will even save the small fee we would charge when we collect the material ourselves.

Delivery to Facility by your company

Payment for collection carried out by Greenpak and rebate for material collected

No payment for collection carried out by GreenPak and no rebate for material collected

Collection Frequency required

Weekly Fortnightly Monthly On-call

Colour coded Bins

Under the Store Packaging Reclaim scheme we are encouraging companies to improve their warehouse waste management by installing space-saving balers. Nevertheless, on request we can still provide colour-coded 1100 litre wheelie bins. Charges may apply.

Do you require colour coded bins? Yes No

If yes, how many? _____
